## HIKE DETAILS

This year the Hike will have three challenges

- 1 Senior Hike for young people between the ages of 14-18 on the day of the hike
- 2 Junior Hike for young people aged 14 or under on the day of the hike with at least one member of the team being 14.
- 3 Expedition Hike for boys age 11 accompanied by an adult or Senior Boy, max of 6 per team.

### About the Hike

The Hike is for young people in teams of 3. They can be boys, girls or mixed with separate tents. This year's hike will cover 25-35 miles over the weekend, finishing with a meal and prize giving on the Sunday afternoon. The young people will require to be proficient in map reading and be fit enough to cover the distance on open moor. Teams are required to be self-sufficient and carry all equipment necessary for their safety. A kit list will be supplied on entry. The Expedition teams carry a reduced kit with larger items transported to the Camp Site. If properly registered the Hike meets the requirements of the Duke of Edinburgh Award at Bronze Level.

This is a challenge which tests the navigation and endurance skills and is greatly rewarding. Full details are supplied on receipt of entry. Call Stuart McIlroy if further clarification is required before you enter.
