

EXPEDITION & OUTDOOR LEADERSHIP CERTIFICATE

There are three levels to the Expedition and Outdoor Leadership Certificate:

- Basic**, for leaders who have completed their training but want to gain more experience before being assessed for the Standard or Advanced level certificates. The Basic Certificate enables the holder to instruct a group of boys in expedition theory and lead accompanied training expeditions in moderate and familiar terrain
- Standard**, for leaders training and supervising expeditions in open country (i.e. within the Brigade's award scheme or for DofE Bronze & Silver), and
- Advanced**, for leaders training and supervising expeditions in wild country (i.e. DofE Gold).

Please complete questions accurately and with as much detail as possible.

An application is being made for an Expedition and Outdoor Leadership Certificate at the following level: **Basic / Standard / Advanced***.

For Standard or Advanced this is subject to the successful completion of an assessment week-end unless the applicant has already undergone an assessment for B.E.L., W.G.L. Award or M.L. Award, etc?
