

NATIONAL COMPETITIONS

The Competitions

We can look back on another session of National Competitions that have taken place in various locations throughout the United Kingdom & Republic of Ireland.

Competition and fellowship were enjoyed by both boys & officers throughout the session. This session saw some boys and companies taking part in National Finals for the first time in Carrickfergus and Larne (Northern Ireland), Strathkelvin and Edinburgh (Scotland), and Newbury & Blackpool (England).

Why Not Give Your Boys a new Challenge

National Competitions will give your Company & Senior Section members a new challenge for next session. Meet new companies from outside your own Battalion and you might even reach a National Final somewhere in the UK. National Competitions provide competitions to suit every boy and company size. Entry forms for the new session are available from summer Company mailing, and more information by visiting www.boys-brigade.org.uk/nationalcompetitions.htm
