

NATIONAL COMPETITION FINALS 2010-2011

Many Companies from all parts of the UK & Ireland took part in the various National Competitions throughout the session. The Finals took place during April and May. Many miles were travelled during the opening rounds and many new places visited and fellowship enjoyed.

If your company wants new challenges for your young people, think about entering National Competitions from as few as three boys for Table Tennis & Chess to four boys for Masterteam & Badminton and up to eight boys for 5-A-Side Junior & Senior Football.

Many thanks to all those who have hosted local rounds and to those who hosted National Finals.
