- ◆ All the courses included in this flyer are suitable for those working towards their Queen's Badge
- ◆ Participants need not be working towards the Queen's Badge to be eligible to attend the course. All the training is geared towards any young person who would benefit from developing their skills for their work in the company.
- ◆ Other courses are also provided by Battalions or Areas. Please check with your Training Convenor for details of any courses being organised in your own area.
- ◆ Places are limited on courses and therefore bookings should be made, where possible, at an early stage.
- ◆ Whilst work should not commence for Queen's Badge until a Candidates Conference is completed, attendance at a Skills Based training course, or equivalent is required, therefore bookings should be made early in the session so participants and the company have the maximum benefit from attending. There must be at least 6 months from completion of skills based training to attendance at a completion residential.
- ◆ All courses, with the exception of Creative Media (which are one day) are residential at Carronvale House, Larbert.
- ◆ The majority of course work is of a practical nature and does not involve a lot of writing.
- ◆ Courses provide an excellent opportunity to meet fellow BB members from all over Scotland.
